

Greetings, all....

Social Activity:-

Club management is always keen to care about social and family ties. This in turn reflects positively on performance within the university and consolidates the spirit of love among the faculty and their collaborators, confirmation of the deepening of belonging to the club and the following are some of the social activities carried out by the club :

1-Every year, the club holds 5 group breakfast ceremonies during the month of Ramadan for the members and their families with a symbolic subscription and the club bears the cost differences in support of the members.

2-During the winter season and on Friday specifically, the club offers a hot lunch to the club's patrons at a nominal price.

3- Prepares meals for the members of conferences and seminars held in the faculties of the university, also hosts the guests of the university from Egyptians and foreigners and the management of the club is always keen to prepare it in a proper way to receive guests.

4-The club hosts Arab and foreign students studying at Assiut University and provides them with all the facilities and services inside the club free of charge.

5-The club receives family students in various faculties of the university who want to spend a day in the club and hold tanning

parties under the supervision of the faculty members pioneers of families.

6-Preparing the club for the holding of elections of the University Students' Union to select the assistant secretaries and the secretary of the student union at the request of the General Directorate of Youth Welfare.

7-The club organizes engagement ceremonies, marriages, weddings and birthdays for the members and their families at nominal prices.

8-The club in partnership with Assiut University Hospitals, organizes a blood donation campaign inside the club during the summer months and the campaign received a good response from the members.

9- During the month of April of each year, the club celebrates Orphan's Day where some children from orphanages are invited to celebrate them and spend a beautiful and fun day inside the club and they enjoy all the services provided by the club free of charge and the club and many of the members distribute gifts, sweets and drinks to them in order to bring happiness to their hearts.

10- During the summer season (June to September), the club organizes a summer resort for the members and their families in the apartments owned by the club in the village of faculty members on the North Coast, this is at intervals of 10 days each for each family.

11- The club distributes sweets and drinks to them on holidays and religious occasions, as well as meat to them on Eid al-Adha.

12- During the mid-year vacation, the club organizes a trip to Hurghada, where the stay in one of the hotels or tourist villages is of a level of 4-5 stars.

13- Preparing the club to hold exhibitions of handicrafts and art for women and girls who are members of the club.

14- The management of the club is keen to offer congratulations to colleagues on all occasions, whether through advertising the club or through social networking sites, and publish this on the club's page on Facebook.

Sport Activites:-

The summer sports activity starts around mid-June for two days a week for each sports game, but during the academic year from October to April, the practice of sports activity is one day a week for each activity.

1-The children of the club practice football, tennis, ground tennis, karate, kung fu, swimming, trainers and supervisors are selected for these games from the Central Youth Welfare Department at the University or from the Faculty of Physical Education.

2-The club's karate team participates every year in belt tests organized by the Egyptian Karate Federation.

3-The club organizes every year the sports walking festival on the occasion of the celebration of the Spring Festival.

4-The club's ground tennis team participates every year in the annual Assiut Region Tennis Championships and the club team won the championship cup in 2014, the team also participated in the summer championship held in the stadiums of Assiut University and the team received the Cup of Prof. Dr. President of Assiut University in 2015.

5-Every year, the Sports Committee holds a scouting camp for the boys and girls of the club where participants learn various scouting skills, fire extinguishing training, training in first aid and rescue of

the injured, teaching some arts such as painting on glass and plastic arts.

Cultural Activity:-

1-Cultural Forum: Children gather to discuss topics from books dealing with historical figures or the strangest travelers in history and this is done periodically every week in the club's library.

2-Drawing Room: Children express the environment through drawings on various topics to train children and highlight their different artistic skills and this is done within the club's library.

3-Screening of films and series: A number of Arab and foreign cultural films and some Arab plays of ancient heritage are shown through the screens located in the club garden.

4-Every year the club celebrates Mother's Day, competitions are held for mothers and prizes are distributed to mothers in recognition of the mother's role.

5-Every year, the club celebrates Spring Festival (Sham al-Naseem) and competitions are held for children on this day and prizes are distributed to the winners.

6-The club has a library that includes a number of cultural and historical books and various stories suitable for children's architecture and the library opens its doors daily throughout the week.

7-During the mid-year vacation, the club implemented a two-week program of children's activities under the supervision of two trainers from the Faculty of Kindergarten, where the children were trained to play and learn about musical instruments, coloring, printing on glass, and teaching etiquette.
