

## A report on the activities of the Measurement and Assessment Center – Assiut University

2022

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
Content Analysis	٢ / ١٣ ٢٠٢٢/	٩	Staff Members	Definition, types and methods of content analysis and its relationship to the targeted learning outcomes	Face to face at Measurement and Assessment center

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
Training of the Measurement and Assessment Trainer (TOT)	٢٠٢٢/٢/ ٢٦	٣	Staff Members and university employees	Skills of the trainer in measurement and assessment Areas of training in measurement	Face to face at Measurement and Assessment center

				and assessment Different styles of trainees in measurement and assessment Various training problems in the field of measurement and assessment and how to deal with them Benchmarks for the field of measurement and assessment National accreditation in the field of measurement and assessment	
--	--	--	--	---	--

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
Preparation of the specification table	٢٠٢٢/٢/٢٦	١٠	Staff Members and employees of the university	How to build a specification table in light of course descriptions	Face to face at Measurement and Assessment center

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
SPSS	-٢٧ ٢٠٢٢/٢/٢٨	٤	Staff Members and employees of the university	<ul style="list-style-type: none"> <li>● Learn about the components of the SPSS program</li> <li>● How to define variables</li> <li>● How to enter data</li> <li>● Extraction of frequencies, means, standard deviations, T-test, reliability and validity of the test</li> </ul>	Face to face at Measurement and Assessment center

<b>Course Name</b>	<b>Date</b>	<b>Number of attendees</b>	<b>Target Group</b>	<b>Course Objective</b>	<b>Place</b>
Formulating test item	٢٠٢٢/٢/٢٨	٨	Staff Members and university employees	Definition of a test item Methods of measurement and assessment of the test item Specification of the construction of the test single Stages of preparing the test item Test Item Assessment	Face to face at Measurement and Assessment center

<b>Course Name</b>	<b>Date</b>	<b>Number of attendees</b>	<b>Target Group</b>	<b>Course Objective</b>	<b>Place</b>
Electronic correction of exams	٢٠٢٢/٣/٢٦	٢	Staff Members	Identify the techniques of electronic correction and apply it practically	Face to face at Measurement and Assessment center

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
Advanced electronic correction of exams	٢٠٢٢/٣/٢٦	٣	Staff Members	Identify the techniques of electronic correction and apply it practically	Face to face at Measurement and Assessment center

Course Name	Date	Number of attendees	Target Group	Course Objective	Place
Building the electronic identity of researchers and evaluating it in international publishing	٣٠ ٢٠٢٢/٣/٣١	١٠	Staff Members	How to build an electronic identity for researchers in international publishing	Face to face at Measurement and Assessment center

<b>Course Name</b>	<b>Date</b>	<b>Number of attendees</b>	<b>Target Group</b>	<b>Course Objective</b>	<b>Place</b>
Electronic correction of exams	٢٠٢٢/٧/٢٥	١٢	Staff Members	Identify the techniques of electronic correction and apply it practically	Face to face at Measurement and Assessment center

<b>Course Name</b>	<b>Date</b>	<b>Number of attendees</b>	<b>Target Group</b>	<b>Course Objective</b>	<b>Place</b>
Professional Report Writing	٢٠٢٢/٨/١١	١٧	Staff Members	- Learn the techniques of writing reports.	Face to face at Measurement and Assessment center

<b>Course Name</b>	<b>Date</b>	<b>Number of attendees</b>	<b>Target Group</b>	<b>Course Objective</b>	<b>Place</b>
