CURRICULUM VITAE

Prof. Ayman Hussien Mohamed Shaamash

MB.BCH. MSc., MD.

Professor of Obstetrics & Gynecology

Faculty of Medicine, Assiut University, Assiut, EGYPT

Professor of Obstetrics & Gynecology

Faculty of Medicine, King Khalid University, Abha, Saudi Arabia [2006-2013]

11. Placental Nitric Oxide Synthase (NOS) Activity and Nitric Oxide (NO) Production in Normal Pregnancy, Pre-Eclampsia and Eclampsia.
Int J Gynaecol Obstet. 2001 Feb;72(2):127-33

Shaamash AH, Elsonosy ED, Zakhari MM, Radwan SH, El-Dien HM.

12. Maternal and Fetal Serum Nitric Oxide (NO) Concentrations in Normal Pregnancy, Pre-Eclampsia and Eclampsia.

Int J Gynaecol Obstet. 2000 Mar;68(3):207-14

Shaamash AH, Elsnosy ED, Makhoulouf AM, Zakhari MM, Ibrahim OA, Eldien HM.

13. POSTER PRESENTATIONS

1. Evaluation Of The Results Of Hysterography By Diagnostic Panoramic Hysteroscopy

Ayman H. Shaamash, Mohamed Abo-olyoun, Gamal H Sayed, Hany Abdel aleem . 20TH. ANNUAL meeting of faculty of medicine, Assiut University, 1993

2. Concomitant existence of Chlamydia trachomatis and HSV-2 in patient with chronic cervicitis

Shaamash AH and Shabaan HR. (Annual meeting of the faculty of Medicine ,Assiut University,1999)

3. Prediction of successful menorrhagia treatment after thermal balloon endometrial ablation

Ayman H. Shaamash and Ezzat H. Sayed.
(4 th. Annual meeting of the Sohag faculty of Medicine, South valley University, 2003)

4. Effect of Long-term Use of Uniplant on Some Liver Functions in Women with Asymptomatic (HBV) Infection.

Ayman H Shaamsh, Hosam T Salem, Mamdouh M Shaaban, Sharaf A Ghaneimaand Shaaban R Helal (9th. Annual meeting of the Middle East fertility Society , Cairo, 2002)

5. Levonorgestrel intrauterine device during breast feeding in upper Egypt

Gamal HS, Ayman H SH, Mamdouh SH
The 12th World Congress on Human Reproduction, 10-13 March 2005, Venice, Italy

14. CONTINUING MEDICAL EDUCATION

1-Regular lectures since 2002 in the programs of continuous medical education (CME) In collaboration between the faculty of medicine and ministry of health. EGYPT.

2-Continuous lectures in the program of revising medical protocol of ABHA maternity hospital 2006 -2013 and CME program for residents and specialists in the ABHA hospital

3- Participation in the CME program of king Abdulha Hospital a, Dept. of OB. /GYN. , Bisha , Saudi Arabia 2006-8009

4- Participation in the CME program and postgraduate program of king Khalid University, Dept. of OB. /GYN. , ABHA, 2006-2009

CURRICULUM VITAE

Prof. Ayman Hussien Mohamed Shaamash

MB.BCH. MSc., MD.

Professor of Obstetrics & Gynecology

Faculty of Medicine, Assiut University, Assiut, EGYPT

Professor of Obstetrics & Gynecology

Faculty of Medicine, King Khalid University, Abha, Saudi Arabia [2006-2013]

15. AWARDS & PRIZES

I Had Been Awarded The Following International And National Scientific Awards.

I.....Our article received the IJGO (International Journal of Gynaecology and Obstetrics) Prize paper Award for the year 2000 as

THE BEST CLINICAL ARTICLE FROM A DEVELOPING COUNTER

Maternal and Fetal Serum Nitric Oxide (NO) Concentrations in Normal Pregnancy, Pre-eclampsia and Eclampsia

[Ayman H. Shaamash](#), Elwani E.D. Elsnosy, Ahmed M.A. Makhoulouf,

**International Journal of Gynecology and Obstetrics (IJGO),
Vol. 68, No. 3, March 2000**

**II.....The Egyptian Fertility and Sterility Society (EFSS) certified that
[Dr. Ayman Shamash](#), Assistant Prof. OB& GYN, Assiut University, participated
in the Ninth Annual conference of the Society ,
September 4-5, 2003.**

Dr. Ayman submitted a paper titled:

“Effect of long -term use of uniplant on some liver functions in women with asymptomatic hepatitis- B infection”.

» His paper was selected by the scientific committee as the

Best Paper Delivered In The Conference

**III.....Our article " Prediction of successful menorrhagia treatment after
thermal balloon endometrial ablation"**

J. Obstet. Gynaecol. Res. Vol. 30, No. 3: 210-216, June 2004

[Ayman H. Shaamash](#) and Ezzat H. Sayed

**The Journal of Obstetrics and Gynaecology Research is the official Journal of the
Asia and Oceania Federation of Obstetrics and Gynaecology and of the Japan
which recognized this article as the best published article during 2004**

CURRICULUM VITAE

Prof. Ayman Hussien Mohamed Shaamash

MB.BCH. MSc., MD.

Professor of Obstetrics & Gynecology

Faculty of Medicine, Assiut University, Assiut, EGYPT

Professor of Obstetrics & Gynecology

Faculty of Medicine, King Khalid University, Abha, Saudi Arabia [2006-2013]

11. INTERNATIONAL EDITORIAL /REVIEWING ACTIVITIES

A- I supervised and co-supervised more than 13 THESES for getting the MASTER and DOCTORAL degree in obstetrics and Gynaecology between 1997 and 2007 and 2013 up to now, at Assiut university (in our department and in collaboration with other departments).

B- I participated as an investigator and co-investigator in the following multicenter international and national studies:

1. Prevalence of Chlamydia trachomatis infection among infertile Egyptian women (WHO multicenter study, 1997).
2. Post-marketing study of Norplant-I (WHO multicenter study, 1989).
3. Prevalence Of Anaemia During IUD Use, during reproductive age (Egyptian Fertility Care Society 1991).
4. Clinical Performance Of Uniplant Contraceptive Implants (South-to-South collaboration in reproductive health - '1993-1995').
5. A program of training courses of MOH specialists (Norplant : Insertion and Removal Steps) in collaboration with ministry of MOH 200-2005
6. Clinical Performance Of The Levonorgestrel IUS "**MIRENA**", with SCHERING company,2002-2004
7. Clinical performance of IMPLANON contraceptive implants in Upper Egypt, 2007-2010
8. A series of training workshops (**Raising The Capacity Of Family Planning Providers In Assiut Governorate, Upper Egypt**) in collaboration with collaboration with the department of Family Medicine of Assiut College of Medicine and the Egyptian MOH nad ...John Hopkins University, USA, 2014/2015)

15. ATTENDED PROFESSIONAL COURSES AND MEETINGS:

A) Training Courses:

1. Many training courses on the use of different methods of Family Planning [Cu-IUDs, Norplant implant, vaginal rings ..etc], Assiut College Medicine, 1991
2. Two Training courses on the use of DIAGNOSTIC HYSTEROGRAPHY in gynaecology, Assiut University Hospital, Egypt, June 1990and OPERATIVE HYSTEROGRAPHY, 1995, 1997
3. Three Training courses on the use of DIAGNOSTIC LAPAROSCOPY in gynaecology, Assiut University Hospital, Egypt, October 1992 and OPERATIVE LAPAROSCOPY, 1997,2003, 2011

CURRICULUM VITAE

Prof. Ayman Hussien Mohamed Shaamash

MB.BCH. MSc., MD.

Professor of Obstetrics & Gynecology

Faculty of Medicine, Assiut University, Assiut, EGYPT

Professor of Obstetrics & Gynecology

Faculty of Medicine, King Khalid University, Abha, Saudi Arabia [2006-2013]

4. Two Training courses on the BASI C USE of ultrasound in obstetrics and gynaecology, Assiut University, Egypt, 1994, 2008
5. A Training course on the insertion and removal of Norplant-II contraceptive implants, Assiut University, Egypt, 1993.
6. Two Training course on the Level-I and Level -II OSTERICAL Ultrasonography, Assiut University, Egypt, February 1997, 2005
7. Two Training course on the Level-I and Level -II GYNECOLOGICAL Ultrasonography, Assiut University, Egypt, February 1999, 2009
8. A Training course on the Insertion and Removal of IMPANON contraceptive implants, Assiut University, Egypt, 2010
9. I attended a work shop on GYNECOLGICAL ENDOSCOPIC SURGERY , held on May18-23 , 2014 , Alexandra Endosopy Association, Egypt and ACCREDITED BY THE AMERICAN ASOCIATION OF CONTINUING MEDICAL EDUCATION AS 33 CME HOURS.

B) Meetings:

10. Attended the Last meeting of the Royal college of Obstetrics and Gynaecology held in Cairo 2005.
11. The biannual meeting of the Middle East Fertility and Sterility Society, 2002, 2004, and 2006
12. The annual scientific conferences of Assiut University Faculty of Medicine, since 1991 till 2005
13. Annual Meeting of the Egyptian Fertility Care Society (EFCS) and the Egyptian Society of Obstetrics and Gynaecology, Cairo, June 1994.
14. The Scientific Conference of International Society of Gynaecologic Endoscopy, Cairo, 9-9-1999.
15. Workshop on Reproductive Health and Maternal Mortality in Upper Egypt, Assiut, 17 March, 1997.
16. More than 20 national meetings organized by the departments of Obstetrics and gynaecology in many Egyptian universities (Assiut, Minia and Sohage Medical colleges)

16. Skills, Clinical and Surgical Experiences:

- All primary and advanced skills of clinical and surgical work of Obstetrics and Gynaecology including.1.Cesaerean Section for all indications, 2.Peripartal repair of rupture uterus, supracervical hysterectomy, etc). 3.Classical repair, Vaginal hysterectomy ,4.Abdominal hysterectomy,5.Myomectomy,6.Manchester operation.7.Ventral suspension ,8.Cervical cerclage , 9.Diagnostic& operative laparoscopy, 10.Diagnostic& operative hysteroscopy ,11.Minor operations (D&C, suction evacuation, episiotomy etc.)

• OTHER SKILLS

1. GOOD experience in Gynaecologic Endoscopic surgery, both the Diagnostic and Operative laparoscopy & hysteroscopy [LEVELS -I & II]. *a senior trainee in the gynaecologic endoscopy unit*- My clinical experience was acquired in Assiut University Hospital. [This is the largest hospital in Upper Egypt and the 3rd largest hospital all over Egypt. It is a tertiary referral hospital for a vast catchment's area with a capacity of 1200 beds] and Assut Women Health Hospital [400 beeds]
2. A consultant of Family Planning and Reproductive Health management, Assiut University Hospitals and Hospitals of the MOH in Egypt.

CURRICULUM VITAE

Prof. Ayman Hussien Mohamed Shaamash

MB.BCH. MSc., MD.

Professor of Obstetrics & Gynecology

Faculty of Medicine, Assiut University, Assiut, EGYPT

Professor of Obstetrics & Gynecology

Faculty of Medicine, King Khalid University, Abha, Saudi Arabia [2006-2013]

3. The special area of interest and the clinical work is in operative hysteroscopy and laparoscopy with more than 5 years experience in: Hysteroscopy metroplasty, endometrial resection, adhesiolysis, extraction of IUCD, Cauterization of Polycystic ovaries, Ovarian Biopsy, Ovarian cystectomy, Adhesiolysis, Fimbrioplasty, Salpinolysis, Neo-salpingostomy, management of ectopic pregnancy.
4. Good experience in obstetric ultrasound including monitoring of fetal growth and biophysical activity including evaluation of amniotic fluid volume. Experienced in antepartum and intrapartum fetal heart rate monitoring.
5. Good experience in gynecologic ultrasound including infertility, ovulation monitoring and early diagnosis of ovarian and uterine tumours.

**17. Academic Activities of Prof. Ayman Shaamash, MSc; MD.
In the College of Medicine, King Khalid University, K.S.A. (2006-2013)**

I. Teaching Activities for Under and Postgraduates:

1. Lectures, Seminars , Tutorials , Bedside Teaching and Skill Lab. Practical Teaching (Obstetrics and Gynaecology) for the **Undergraduate Students**, College Medicine, King Khalid University , academic year 2006 to 2013.
2. Postgraduate lectures for the **Saudi Residents in the Joint Program of Postgraduate of OB/GYN. Residents**, Organized by **Saudi Council of Medical Specialties** , at ABHA General Hospital, ABHA, ASSIR REGION, KSA.
3. Continuous lectures in the program of **Revising Medical Protocols** of ABHA maternity hospital since 2006 up to 2008.
4. Member of the local **Medical Committee of Continuous Medical Education** of Abha Maternity Hospital (*in collaboration with the Ministry of Health*), since 2006, ASSIR region, Saudi Arabia.

II. Administrative Experience:

1. Course Coordinator and co-coordinator for the OB/GYN. Courses (Males & Females), Department of OB.GYN., **King Khalid University**, During the academic years 2006-2009
