

Master's Degree Special Courses (Biochemistry)

Code	Course Title	Credit Hours	Exam Time	Grades		
				Written	Oral	Total
MPB-301	Metabolism of Carbohydrates, Lipids, Proteins and Minerals	2	2	80	20	100
MPB-302	Enzymes, Vitamins and Metabolism of Xenobiotics	2	2	80	20	100
MPB-303	Body Fluids, Hormones and Signal Transduction	2	2	80	20	100
MPB-304	Advanced Molecular Biology	2	2	80	20	100
Elective Courses						
MPB-300E1	Interaction of Nutrients and Drugs with Biochemical Laboratory Data	2	2	80	20	100
MPB-300E2	Clinical Biochemistry	2	2	80	20	100
MPB-300E3	Therapeutic Nutrition	2	2	80	20	100
		10				500

The student studies 10 credit hours in the second semester, including (4) compulsory courses, and (1) elective course.
